Transcript from the Q & A

1. What is the method he just mentioned? PEAR?PAIR?
 - a. This information will be included in our follow up notes. We will send these to all webinar participants. Thank you!, I think it's TIER
2. Can you share the byte size webinars? Or are those created by your staff and only used for your parents?
 - a. We will include this information in our follow up notes. These will be emailed to all webinar participants. Thank you!,great!
3. Safeguarding issues with students. What would be your online approach?
4. We can't rescue clients from their sense of uncertainty and anxiety, at times, they will need to be with this and to inform personal resilience.
5. How active are you doing one on one counseling?
 - a. The panelists will address this soon. Thank you!
6. Can you please post some of the games that you're playing with the kids, just for giggling?!"
 - a. Yes, this information will be included in our follow up notes. Thank you!
7. Can we have access to your student wellbeing survey?
 - a. We will include information about these surveys in our follow up notes. These will be sent to all webinar participants. Thank you!,,thank you,,
8. How are you helping children of Junior programs
 - a. This will be a focus of our upcoming questions. Thank you!
 - b. While this webinar is focusing on Secondary Counseling, we will work to include some elementary/Junior Program resources. And Jason's words about transition right now are very helpful. Thank you for being with us today.
9. How are you changing your school schedule?
 - a. HKIS maintained its daily bell schedule and holds synchronous class sessions via Zoom, which I think was helpful in keeping students in a routine.
 - b. We have students and families all over the world, so we have changed our schedule to later in the day— really three hours of academic focus a day and the rest of the day is social check in with home room teachers, me as the counselor,

and other activities run by student council- like a daily/weekly challenge. etc...
All teaching is recorded for students who are in other time zones."

10. The survey will be great to see as well

- a. Yes, we will include information and/or links about these in our follow up notes.
Thank you!"

11. How do you suggest setting up or inviting students to chat in Zoom platform?

- a. Hi Tahmina....
- b. I'm a counselor from Bogor, Indonesia. We recently do this by providing a form for them to schedule a counseling with us and to choose their preferences of communicating with us, one of it is Zoom " ,,,
- c. Laura is sharing the importance of asking parents first to engage students in a Zoom conversation.,in that case i have to have an account with zoom? what else is needed?,thank you

12. What kind of schedule did you change to?

- a. HKIS maintained the same daily bell schedule and holds class sessions synchronously, which has been helpful for students to stay in a productive routine

13. How can we involve parents in helping /supporting students/children to do some activities?

14. Do you have record your Zoom meetings with students? We have been told we have to and this is putting some off reporting concerns.

- a. This is highly discouraged by all international counseling organizations. Check the ISCA resources page because I think they refer to references that can be shared with administrators who mandate this.,

15. Parents and children don't feel overwhelmed with so much information? how do you manage that?

16. Can we have a sample of your teacher check in questions that you have found to be good questions, that bring back useful data that we can use to help our staff.

- a. We will include these in our webinar follow up notes. These will be sent to all webinar participants. Thank you!
17. How to address depression among students in the lockdown period ?
- a. I created a Survey Monkey for all students to complete to help me understand the level of need.
 - b. Excellent. Please share this in the comments and Dana will capture this/these and share them with everyone in our follow up notes. We are so grateful for your sharing!,
18. What do you think about scanning our school text books and sending them as class work to the children?
19. Do you have any recommendations you can share for 20 min. morning check ups?
20. Isn't doing routines at home and independence in their classwork and routines also a form of deep learning? to express this to parents. Intrinsic motivation and adapting to this situation?
21. Can you share what you send out for parental permission and comment on the safety/privacy aspects of one-on-one Zoom sessions?
- a. HKIS MS requests parental permission for sessions with students, but the HS does not, so this is somewhat age/developmentally specific."
 - b. [https://iscainfo.com/resources/Documents/CIS%20Adapting_to_new_learning_environments_How_to_keep_students_safe_and_protect_their_%20\(1\).pdf](https://iscainfo.com/resources/Documents/CIS%20Adapting_to_new_learning_environments_How_to_keep_students_safe_and_protect_their_%20(1).pdf)
 - c. No
22. How to influence parents who are not cooperating in maintaining a schedule for online Zoom classes ?
23. Related to universities, has anyone learned about next Fall being online? I am trying to advise our graduating students and help with their plans.",
- a. I haven't heard about any universities already planning for online classes in the fall, but they're certainly having conversations about it behind closed doors in case the health situation doesn't improve.",

- b. "OK, thank you. Same for me, but I just wanted to stay ahead of the curve. I have advised students to expect the opportunity to attend the school of their choice and if " "borders are closed" " perhaps the beginning will be online.",
- 24. We've created a wellness website at school for providing support to students, parents and staff, and are incorporating a Q&A section to provide more support to students and parents particularly through webinars, videos and resources. Any ideas how this could be approached and important aspects to consider including on the online forms requesting support or counselling?
- 25. How do you deal or help with the students who are maltreated by their parents/foster parents and guardians especially this lockdown period?
- 26. Can you share the HKIS Child Protection packet and/or flow chart? I want to compare things to my school. Thanks.
 - a. We will work to share as many of these resources as possible in our follow up notes. Thanks!
- 27. Any useful tips or resources or actually set of check-in questions to provide teachers/staff to communicate with their students to pick up on any issues that need to be addressed by counsellors?
- 28. How are schools handling grades for the end of the semester? Our school is considering providing traditional grades vs Pass/Fail on final transcripts. Have your respective schools made a decision?,
 - a. Please attend our webinar next week, April 15th, as Ken O'Connor will address this topic directly.
 - b. Thank you!", Looking forward to this. particularly interested.,,
- 29. How do you deal or help with the students who are maltreated by their distressed parents/foster parents and guardians especially this lockdown period? Any resources or tips for dealing with supporting such students?
- 30. Please address the basic parameters that are put in place when providing online counselling? Suggestions on ensuring privacy when using Zoom? Perhaps this can be

included in the parent permission form? Any resources on this specifically would be great.

31. Would it be possible to get more information about the RAFT program that was talked about,

- a. "It's from Third Culture Kids by Ruth Van Reken and David Pollock. RAFT stands for Reconciliation, Affirmation, Farewells, and Thinking Ahead. Students are asked to brainstorm who/how/what for each section.", Thank you!

32. Could you please share the counselor-led program timeline as we as the scope and sequence HKIS follows? It sounds interesting.,

33. How to handle placement tests for the next year

34. Has anyone considered a virtual graduation? If so, what ideas are you throwing around?

35. How are schools handling entrance procedures/exams for new 2020-2021 students?

36. How are you addressing GRIEF overall with the school community?

37. Since the AS and A level exams have been postponed, how would the process work for University application or registering in November?

38. What things are you putting in place for when school returns?
